Response Due Date:  
February 10, 2005

Identification Number: C00080655

Reference: 30 Day Post-General Report (10/14/04 - 11/22/04)

Dear Mr. Yseth:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above.** An itemization of the information needed follows.

-Line 12 of the Detailed Summary Page discloses transfers from joint fundraising committees. However, the sum of memo Schedules A supporting Line 12 is less than the amount transferred. Please note that the sum of memo Schedules A supporting a transfer from a joint fundraising committee should be greater than or equal to the amount reported on Line 12. Each participating committee shall report its share of net proceeds received from the joint fundraising committee as a transfer-in on Line 12. Each participating committee shall also file memo Schedules A itemizing its share of the gross receipts as contributions from the original donors. (11 CFR §102.17(c)(8)(i)(B)) Please amend your report to correct this discrepancy.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12-Day Pre-General Election report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute

contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information. (11 CFR §104.5(f))

-Your committee filed 48-hour notices reporting the following "last minute" contributions:

| <u>Contributor</u>                    | <u>Date</u> | <u>Amount</u> |
|---------------------------------------|-------------|---------------|
| Joanie Brontman                       | 10/29/04    | \$2,000       |
| Malinda Pennoyer Choulhard            | 10/22/04    | \$1,000       |
| Chickasaw Nation                      | 10/28/04    | \$1,000       |
| Feldman Shepherd Wohlgelemer & Tanner | 10/21/04    | \$1,800       |
| Ken Rynne                             | 10/17/04    | \$1,000       |

These contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies (11 CFR §104.3(a)(4)(i))

-Commission Regulations define the term "purpose" to mean a brief statement or description of why a disbursement was made. Examples are "dinner expense", "media", "salary", "polling", "travel", "party fees", "phone banks", "travel expenses", "travel expense reimbursement" and "catering costs". Examples of election day and voter registration activity include "exit polling", "door-to-door get out the vote", "get out the vote phone calls" and "driving voters to the polls". Unacceptable descriptions, which require additional clarification, include but are not limited to "advance", "consulting", "commission", "contract labor", "retainer", "election day expense", "expenses", "invoice", "support", "expense reimbursement", "miscellaneous", "professional services", "get-out-the-vote", "voter registration", "voter contact". (11 CFR §104.3(b)(4)(A)) Please amend Schedule B of your report to correct the descriptions that do not meet the requirements of the Regulations.

-Your report fails to provide election designations for contribution refunds disclosed on Schedule B for Line(s) 20(a) and 20(c). Authorized committees should indicate the election for which the refund was designated. Please amend your report to provide election designations. (11 CFR §§10.1(b)(2) and 110.2(b)(2))

-Schedule B of your report discloses disbursements to "Petty Cash". Please be advised that disbursements from a petty cash fund to any person or vendor for any single purchase or transaction may not exceed \$100. Please amend your report to clarify these disbursements. If the payment to the original vendor aggregates in excess of \$200 in an election cycle, a memo entry including the name of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. (2 U.S.C. §432(h)(2) and 11 CFR §102.11)

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1161.
